

Each learner has a 8 multiple intelligences –

Linguistic (verbal or literary), Logical/ Mathematical, Auditory, Kinesthetic (physical), Interpersonal (Social), Intrapersonal (knowing oneself), Naturalistic, Visual-Spatial. These intelligences are developed at different levels in different learners.

Prism introduces a thematic workshop with a twist.....

It is designed to equip the learners to improve their ability to comprehend and analyse. To use reasoning, logic and to creatively express their thoughts and ideas through different mediums.

This workshop is particularly designed to help the learners develop their multiple intelligences. It introduces learners to the joys of learning through various innovative and interesting activities and games.

**The workshop will be held for five days -
ie on the 26th, 28th, 29th 30th and 31st of October.**

Age Group	Time	Theme
Level 1- 7-10 years	10 a.m. – 12 noon	Know your world!
Level 2- 11-13 years	2 p.m. – 4 p.m.	Explore your world!

In Level 1 Learners will learn all about the world around us exploring different 2d and 3d shapes and then learn about continents, oceans, important countries, their flags, capitals, currencies, culture and language along with the wonders of the world.

In Level 2 Learners will learn all about the environment around us but at an advanced level. Explore physical features of Biomes ranging from estuaries to alpine regions. They will learn about world economies through currencies of important countries and their conversions. They will also be exposed to different languages and landmarks and evolution of civilisations.

**At both the levels learners will process information in a fun way method
Andwhilst doing so they will also be using their various intelligences.**
